PRESENTATION

Los[K]soS is a lively bunch from Saint-Étienne (France). This year, the band is celebrating its 10th anniversary and releasing a new album, "Là Pour En Découdre!" (Ready for a Showdown!).

This high-energy, horn-driven band is fueled by the activist message in its lyrics. With their quirky stage presence, Los[K]soS offers a unique "demagogic" world that really needs to be experienced live...

(200 shows across France, Germany, Belgium, Switzerland, etc.)
